HP 920XL High Yield Black Original Ink Cartridge (CD975AE)

Active as of 02/03/2009

Overview

HP 920XL Black Ink Cartridges print laser-quality black text, using Original HP inks. Print professional, plain paper documents, using pigment ink designed for the office.

Print superior laser-quality documents with sharp black text that resists water and fading, using Original HP inks¹.

Deliver impressive printing results. These Original HP inks are formulated to produce fast-drying documents, especially when you use papers with the ColorLok logo. HP technology makes it easy to replace cartridges.

Get 2.5 times more black printed pages, using high-capacity ink cartridges designed for frequent printing². High-capacity Original HP ink cartridges yield more printed pages and require fewer replacements than standard Original HP ink cartridges.
